**RE: Application of JACABB Utilities, LLC for approval of an
expansion of its existing water service area to include certain
portions of Oconee County and request approval of the Water
System Asset Purchase Agreement with Harts Cove and Tory Point
Homeowner's Associations**

Dear Ms. Boyd:

The time has expired, and there has been no intervention or return from any affected customer in the above-referenced case. As indicated in my letter of December 2, 2013, and, based upon the application, the applicant is not seeking to establish a new rate. Therefore, the applicant will file a motion to request an expedited review next week together with a supporting affidavit. Hopefully, this will obviate the need for testimony and a hearing. The deadline for prefiled testimony is fast approaching. In the interest of judicial economy, I request that the dates for filing prefiled testimony be suspended pending the filing of applicant's motion. It is my understanding that ORS does not object.

As always, thank you for your consideration in this matter and, with best regards, I remain,

Sincerely yours,

ALLEN AND EAKES
